

1. Purpose

Safeguarding and promoting the welfare of children and adults at risk from abuse or neglect.

This policy defines how Soham Town Council (STC) sets out to safeguard children, young people and adults at risk of abuse or neglect.

We have a duty of care and are committed to the protection and safety of everyone who enters our sites or premises including children, young people and adults at risk involved as visitors and/or as participants in all activities and events. We also have a duty to safeguard and support our Councillors, volunteers, and staff.

2. Definitions

Children and young people are defined as those persons aged under 18 years old. This policy will apply to all staff, contractors and volunteers and will be used to support their work.

Safeguarding and promoting the welfare of children is defined as:

- protecting children from any form of manipulation or abuse
- preventing impairment of children's health and development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

Adults at risk of abuse or neglect

For the purposes of this policy, adult at risk refers to someone over 18 years old who, according to paragraph 14.2 of the Care Act 2015:

- has care and support needs
- is experiencing, or is at risk of, abuse or neglect
- as a result of their care and support needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

If someone has care and support needs but is not currently receiving care or support from a health or care service, they may still be an adult at risk.

3. Persons affected

- All Councillors, volunteers, and staff
- All those attending any activity or service that is being offered or delivered by STC
- All visitors and contractors

4. Policy principles

There can be no excuses for not taking all reasonable action to protect adults at risk of abuse, exploitation, radicalisation, and mistreatment. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness.

Soham Town Council is aware of the work of the local safeguarding Board/Partnership and other support organisations on the development and implementation of procedures for the protection of children and adults vulnerable from abuse. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

Soham Town Council is committed to the following principles:

- The welfare of the child, young person or adult at risk is paramount
- All children, young people and adults at risk have the right to protection from abuse
- Safeguarding is everyone’s responsibility: for services to be effective each professional in our organisation should play their full part; and
